

DMA Notice: Submit Proof of Publication (website link or written communication) of Sea Container Charges by Service Providers

Pursuant to Article 7 of Administrative Decision No. 2 of 2023 to promote transparency for end users, service providers are mandated to upload, on their company website all their local sea container charges already filed and approved by DMA. Any Service Provider who does not have a website must communicate its sea container charges clearly to the users and customers in writing. In order to comply fully with this mandate, you are required to submit the link to your website containing **already** filed and approved tariffs or upload a copy of the written communication sent out to end users (using the link below) by 15th January 2024.

- If you have already submitted your website link or proof of communication, please **Click Here** to continue with your trade services.
- If you wish to submit your website link or proof of communication right now, please **Click Here**

Please note this is not a request to re-file existing tariffs, only your website link containing tariffs or written communication to customers needs to be submitted
